European Information day and Brokerage Event
CIP-01-2016-2017: Prevention, detection, response and mitigation of the combination of physical and cyber threats to the critical infrastructure of Europe
Horizon 2020 EU Framework Programme
2016 Secure Societies Call
Bilbao, 8th of March 2016
Azkuna Zentroa (Alhóndiga de Bilbao)
Bilbao(Biscay - Basque Country, Spain)

The Spanish NCP for Secure Societies, the European Technology Platform for Industrial Security (ETPIS), the Security Research NCP Network (SEREN3), and the Council of Bilbao, with the support of the European Commission are pleased to invite you to the brokerage event dedicated to the topic:

CIP-01-2016-2017: Prevention, detection, response and mitigation of the combination of physical and cyber threats to the critical infrastructure of Europe

, that will take place on **the 8th of March, 2016, at Azkuna Zentroa (Alhóndiga de Bilbao), in Bilbao, Spain.**

At this event that is dedicated to research and innovation for critical infrastructure protection you'll have the opportunity to share with other participants and the CIP community (end-users, utilities' operators, integrators, academia, etc.) an overview of your products, services, competencies and needs in the field of CIP. You will also be able to present your own proposal concepts. Then, you can meet representatives from SMEs and other organisations, in order to exchange ideas with the aim of paving the way for future cooperation.

Participation in the European information day and brokerage event is *free of charge*. However, *registration is mandatory*.

Please register online by 4th of March, 2016 at the following link:
<http://eshorizonte2020.cdti.es/index.asp?TR=C&IDR=2447>

Seats will be allocated on a first come, first serve basis due to the limited capacity of the meeting room.
